

BAC Jumps Fest – 17th June 2010

On Thursday 17th June Biggleswade AC held the first of its three event fests this summer with an open competition of jumping (High Jump, Triple Jump and Long Jump).

Windy conditions on the day did not deter the competitors from attaining many personal best scores.

Eight competitors took part in the Long Jump and among those Biggleswade Athletic Club's Megan Roberts won the U13 event with a magnificent jump of 3.99m. Another Biggleswade athlete, Jack Edwards, showed good progress with an excellent series of jumps, with a best of 5.35m.

In the Triple Jump Daniel Steel (Biggleswade AC) again jumped extremely well to win the U12 age group event.

A sizeable contingent from Stevenage and North Herts Athletic Club competed in the High Jump and used the event as a training session to simulate competition conditions. Again many new personal best records were achieved.
